Forward

Our education is to develop each of us as individuals. In creating our first Paragon, we strive to emphasize individuality in our school—the diverse talents, ranging from the academic and the athletic to the artistic.

This school year has been one of many new accomplishments and experiences, whose memories will never be entirely forgotten. With the coming years however, other experiences will superimpose themselves upon those now fresh on our minds. We hope our Paragon will someday help us recall everything that was 1965-'66.

- the pride of making the Honor Roll
- that special dance with that very special person
- the anxiety before an English final
- cheering a close and well-played game
- the hilarity of the Drama Club's productions
- the "cozy" atmosphere in the halls
- the beauty of a choral concert
- the grumbles and grins of which each of us was a part during this past year.

"The Man Who Came To Dinner"

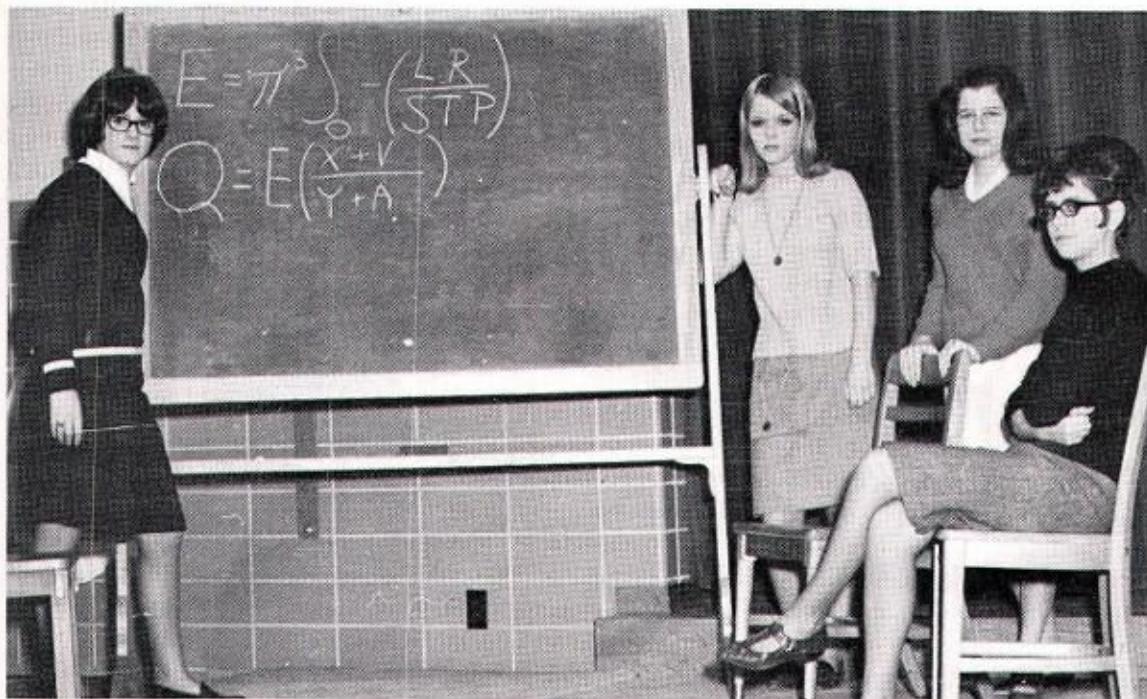

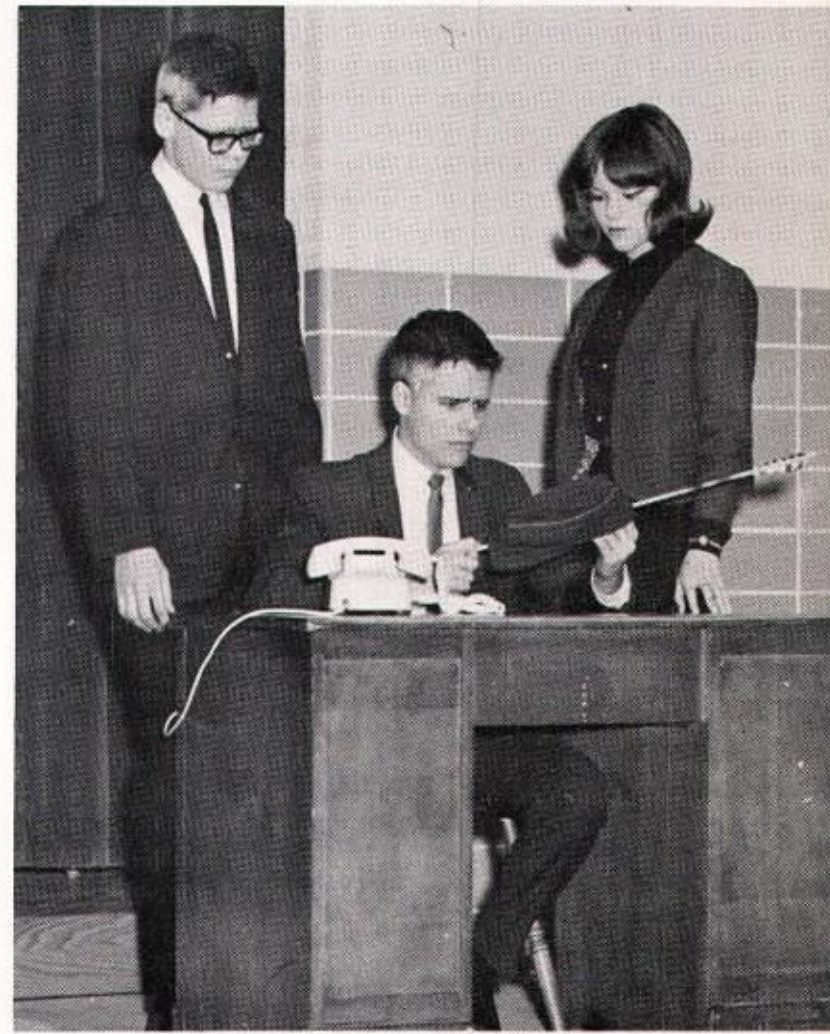

"The Mouse That Roared"

Under the direction of Miss Ann K. Burgdorf, the play entitled "The Mouse that Roared" was presented to the public on March 25 and 26 in the Elliott School Auditorium. The play was about a microscopic country in the Alps, Grand Fenwick. Financial troubles and the Q-bomb, a bomb of inestimatable strength, all added to the fun of this two act play.

The leading roles of Gloriana XII and Tully Bascom were played by Sara Gilman and Dick Good respectively. Also featured were Linda Anderson, Gwen Sartain, Joanie Blieden, Karl Linden, Jeff Gubitz, and Randy Roller. Others in the cast were Dave Pope, Valerie Astolas, Linda Larson, Connie Branson, Greg Pearson, Harold Smith, Margie Brazina, Gayle Blohm, Roberta Peterson, Dean Roades, Cene Carlson, and Patty Speelman.

presents

OKLAHOMA!

Ever had an Oklahoma Hello? Well you have if you attended the production of "Oklahoma" presented by the Music department on May 19th, 20th, or 21st.

The two lead roles of Laurey and Cyrly were played by Jill Molnar and Karl Linden, while Aunt Eller was portrayed by Sandy Sands, Tammy Ashby and Randy Levin as Ado Annie, Mike Siebelic as Will Parker, Fred Malo as Jud Fry, Jeff Gubitz as Ali Hakim, Jerry Livingston as Andrew Carnes, and Yvonne Satterblom as Gertie Cummings. Supporting roles were held by Harold Smith as Ike Skidmore, Steve Walsh as Cord Elam, Doug Reed as Slim, and Jan Ferry as Ellen.

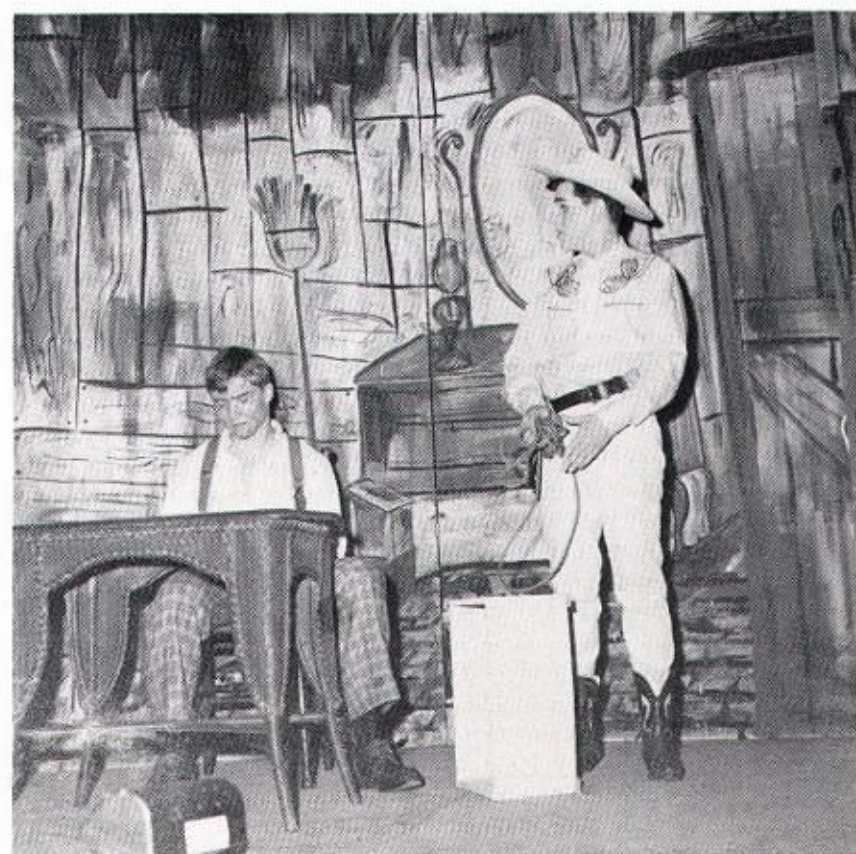

Working under the direction of Richard Holmberg, the cast was assisted by Miss Anne Burgdorf, and Mrs. Helen Engstrom—Drama. Mr. Fort did an excellent job with the set design as well as helping out with the direction. Assisting these four were Ray Barton—lighting, Dale Rhoades—Student Director, and Dick Good—Stage Manager. A special thanks went out to these people who made the production possible—and a *huge* success.

The choreography this year was done by Mrs. Shannon Lorenzo. Working under her direction were: Girls—Cindy Blackmun, Kathy Brown, Sue Makarewich, Rennee Peyrot, Cindy Stewart, Sandy Sutter, Kathy Viewing, Gayle Yahnke, Sue Emerson, and Carol-rae Kraus. Boy dancers included: Jeff Horan, Bill Coe, Dale Rhoades, Jerry Livingston, and John Krause.

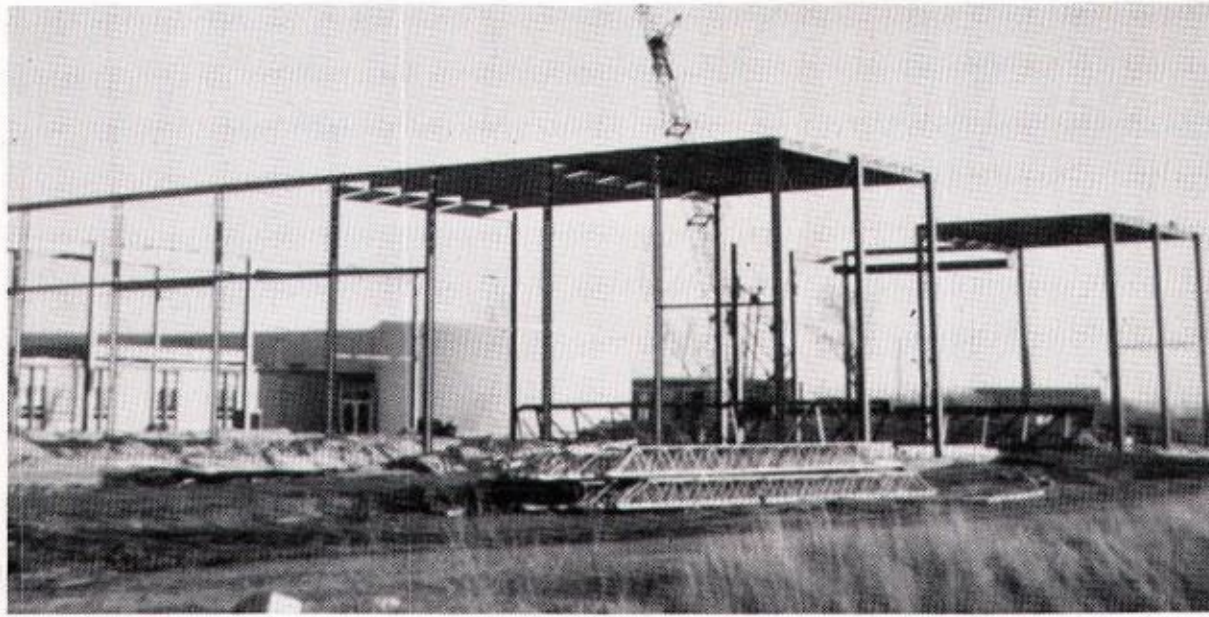

Background music was supplied by a Chorus of 56 people, and an orchestra of 20 pieces—rehearsals under the direction of Paul Brown. Featured in the orchestra were several members of the Gary Symphony Orchestra, including Florence Gindle, concert mistress; and members of the Munster Adult and High School Bands.

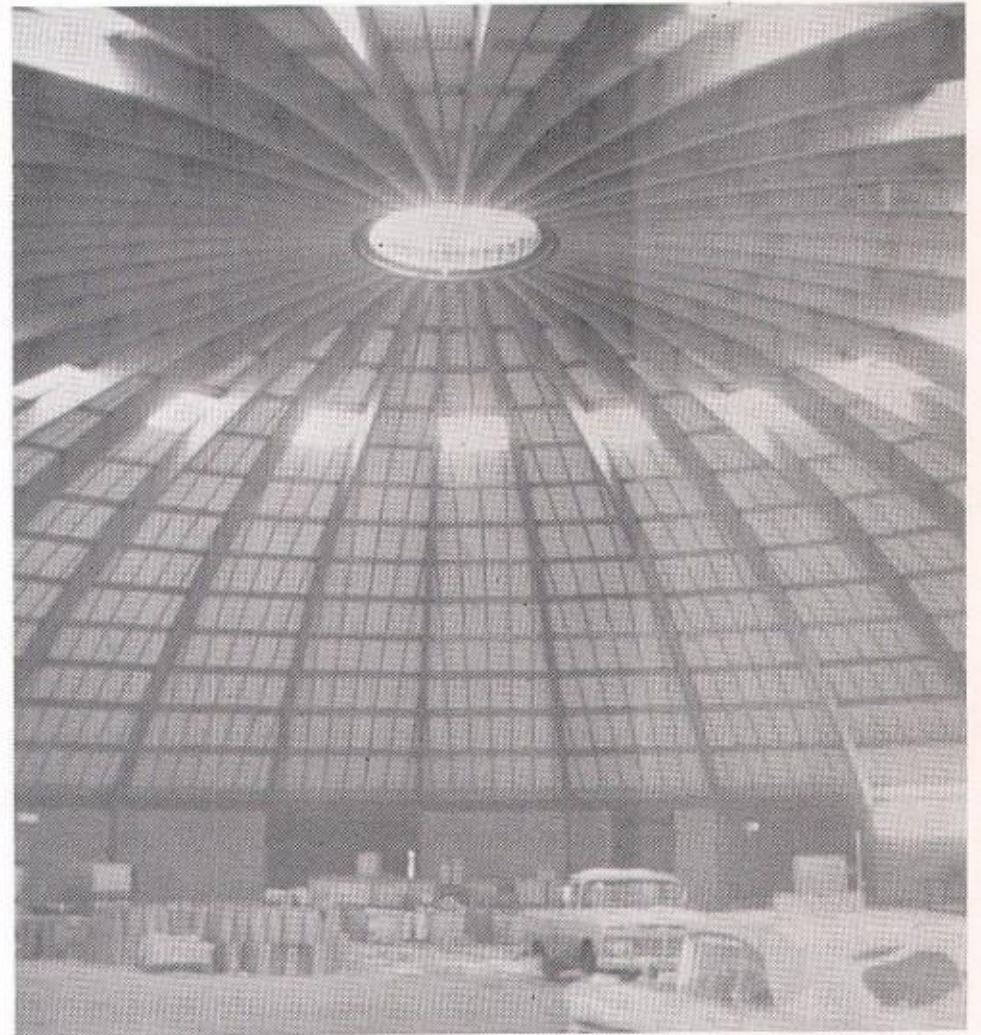

Committees and their chairmen included: Jane Rittman—Tickets, Gene Carlson—Make-up and Programs, Cyd Rundie—Costumes, assisted by Mrs. R. Morehead, Jeff Gubitzi—Publicity, and Randy Roller—Properties.

All practices and the final production were held in the Elliott School Auditorium—and met with the Music department's most overwhelming success.

Prom Shots

A quick trip to France was made May sixth by MHS Juniors and their guests. Lending a French flavor to the '66 Prom was the theme, "An Evening in Paris."

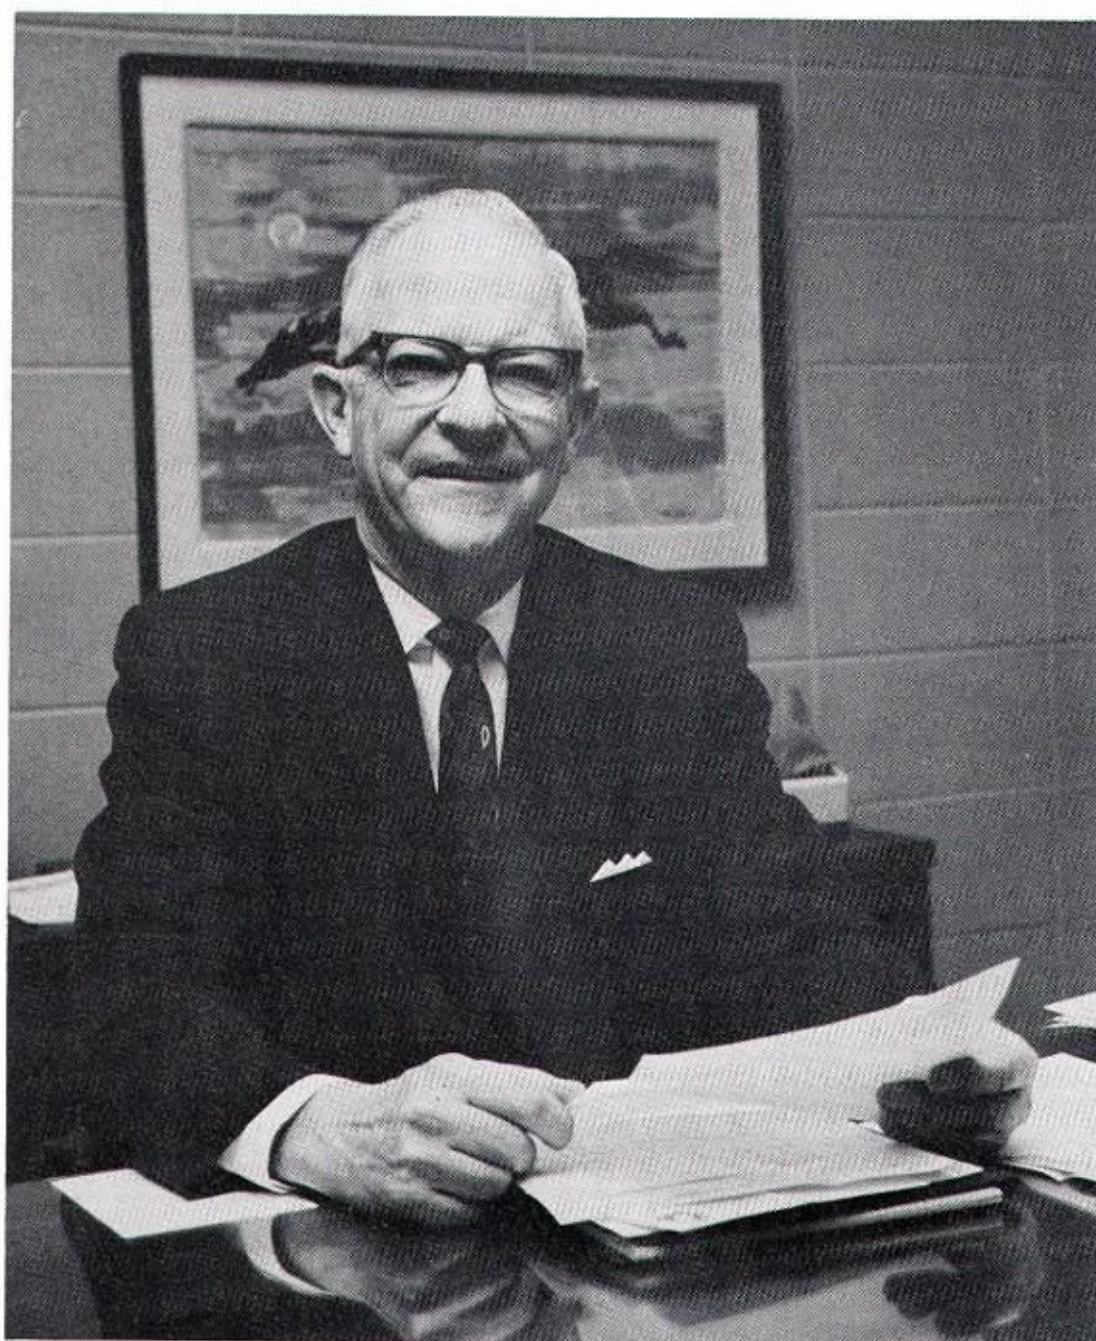

This exciting occasion featured the music of Dean Connors. After returning from Paris, the "travelers" enjoyed continued dancing at Woodmar Country Club. Hal Morris band was obtained by the Parents' Committee for this after-prom finale to a unforgettable evening.

AMIEL

Administration

MR. FRANK HAMMOND

MR. FRANK HAMMOND has been an avid advocate of education for the past 38 years, 14 of them as superintendant of the Munster schools. He likes today's modern methods, but he is "old fashioned" enough to believe the academic curriculum is most important. Mr. Hammond is pleased with the fine high school and a successful curriculum despite this year's lack of a senior high building.

1965-66 has been the year of the big jump forward for Mr. Hammond. Greatly pleased with the mature perseverance of the class of '67, Mr. Hammond feels the entire school has progressed under group leadership and sponsorship. He believes our expanded extra-curriculars add credit and interest to each student's school life.

With our combinations of a modern building, high scholastic standards, diversified activities, well-maintained discipline, and an outstanding faculty and student body, Mr. Hammond takes justifiable pride in Munster's junior and senior high schools.

MR. RAYMOND RITTMAN
Wilbur Wright Junior High Principal

IN HIS SECOND year as principal of our junior high school, Mr. Ray Rittman, is doing a fine job. Truly interested in each student's progress, he encourages scholastic growth and achievement. Under his direction Wilbur Wright Junior High School has maintained its high educational standards. We have great respect for Mr. Rittman, not only as a principal, but as a man vitally concerned with our education.

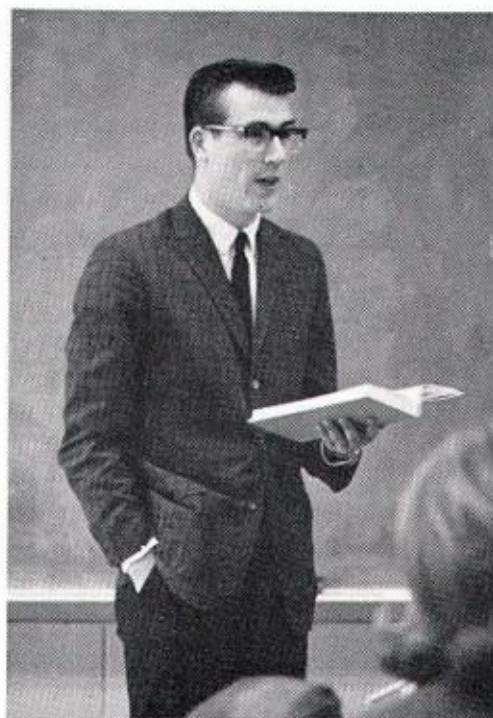

DR. BERARD MASSE, first principal of Munster High School, has worked these past two years to get our high school off to a successful start. His behind-the-scenes coordination of our various "first efforts" have greatly contributed to building a sound foundation for Munster High School. Few of us fully realize Dr. Masse's significant role in establishing a tradition of academic excellence in Munster.

Summer School 1965

Wherefore should one ever be mad enough to attend school for two balmy summer months? In Munster, of course, where several hundred students from Munster and neighboring towns converge to further an education. Who could forget?—the first days of driving circles in the parking lot and experimenting with the power brakes?—the drama class production (?) where the goofs were as good as the lines?—typing and 'don't look at the keys!'—or phys one-two ed three-four!—or "So what if there's a muddy ditch there? After that biology frog!"

Ah, summer. Who could forget?

Business and Math

The seven business courses offered at our school are taught by Mr. Brinson, Mrs. Kaupke, and Mr. Walters. Students were kept busy making double mock entry records of a grocery concern, using the Gregg theory in Shorthand I to sharpen skills at taking phonetic dictation, and learning everyday aspects of personal economy.

In Munster Math is also an important course in our education. Regular Math leads to the mysteries and delights of algebra and geometry, the perfect function of a straight line and the discovery of x . UICSM (learning the letters in sequence is half the course) has been a special feature of our Math department headed by Mr. Lindquist.

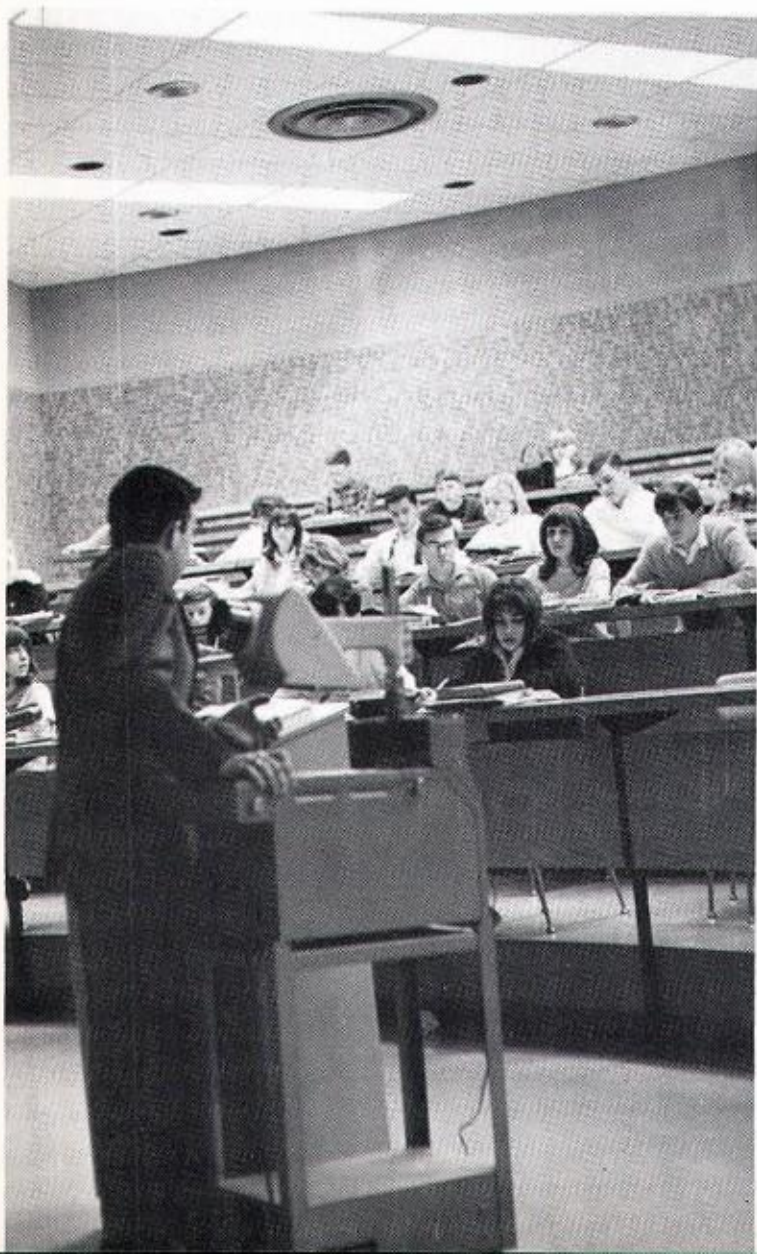

English and Language

Beginning language classes, Spanish, German, and Latin taught by Mrs. Lorenzo, Miss Lewis, and Mrs. Walters, worked on developing listening and speaking skills along with grammar basics. The more advanced classes began reading literature and translating everything from novels, plays, and short stories to mythologies.

For juniors—and all grades—it has truly been the year of the book!

Home-Management

All 7th and 8th grade girls explored the field of home economics in their studies of foods and clothing. Areas of interest found in Management I, II, and III, range from the study of social and family relationships and foreign cooking—to simple tailoring and house furnishing.

Art Department

Art has become an ever-expanding department at Munster High School. Drive and talent—both named Mrs. Ruth Stout and Mrs. Carolyn Meyer—have encouraged art projects in all grade levels, from required art in the seventh and eighth grades to elective arts I and II for Senior High students. Munster High art has also been making a name for itself with all that glazed clay and oiled canvas by participating in regional shows such as the Tri-Kappa Show, Northern Indiana Science Fair Associated Art Salon, and the Three M Show. Art talent has also been unleashed to help decorate the various halls, making them all interesting conversation pieces with individual “objects d’ art.”

11th grade choir

9th & 10th grade choir

Girls Glee Club

Forming a new division of 9th, 10th, and 11th grade students, the Girls Glee Club has been very hard-working this past year. Singing at the Christmas and Spring Concerts, the Glee Club has taken much appraisal.

11th Grade Concert Choir

On October 21, 1965, the 11th grade concert choir began its appearances with a performance at the Civic Center in Hammond for the Indiana State Teachers Convention. Following this, the choir began busily working for the Christmas Concert which was held on December 17th at Elliott School. The culminating events of the year were the production of "Oklahoma" and the Spring concert which was held on June 3. This final concert featured all the vocal music groups and turned out to be a very successful occasion. As you may well see, this year has been definitely a profitable one, and it would not have been so without the direction and guidance of Richard Holmberg, Vocal Music Director.

Choirs

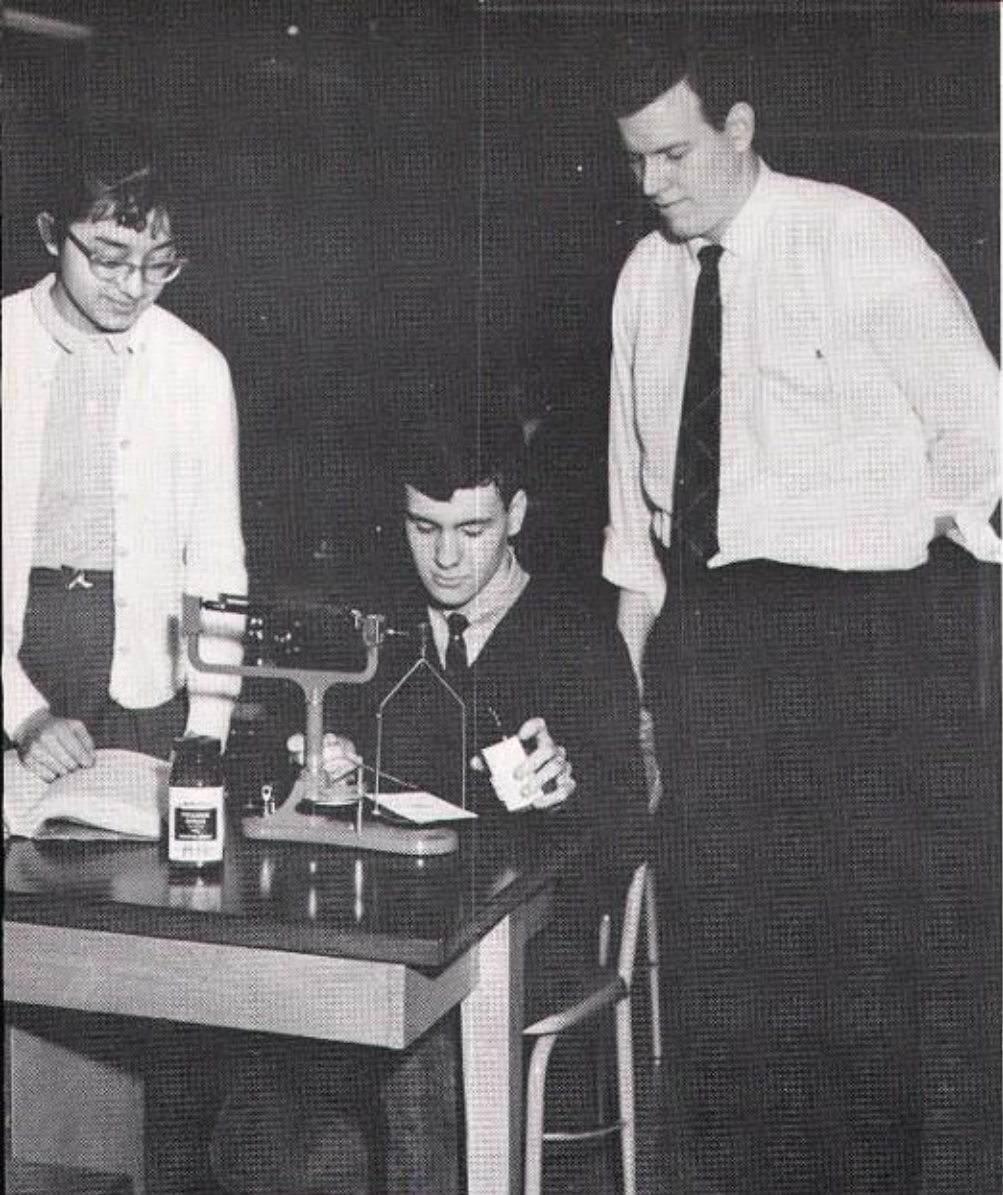

Band

Well over 100 students have performed in Band concerts throughout the year. After participating in the pre-Contest Concert, the Concert Band received an "excellent" rating in regional competition.

In preparation for next year's football half-times, Cadet and Concert Band members have already begun marching practice, which will continue through the summer. Plans were made to send two boys and two girls to Crescendo Music Camp this summer to learn drum majorette tactics.

In addition to these activities, selected Band members supplemented the pit orchestra in this year's musical, "OKLAHOMA."

Science

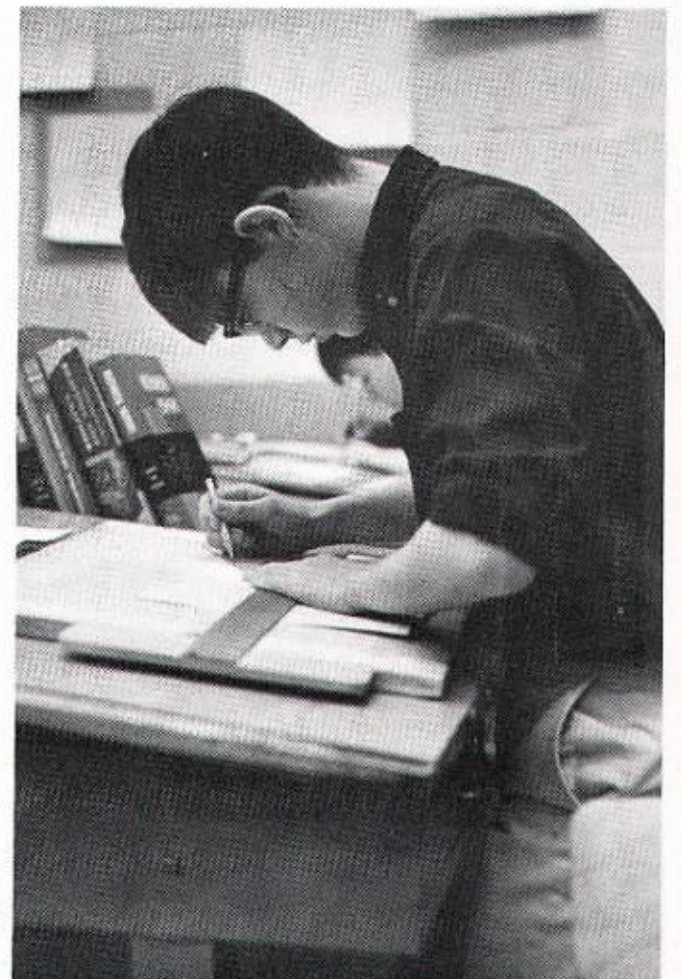

Magnetism, astronomy, chemistry, cytology, genetics, momentum, and energy were studied by the students from 8th through 11th grade in the various levels of science offered at Munster High School. Science teachers Mr. Roseneau, Mr. Lazar, Mr. Edington, Mr. Rose, and Mr. Jennings used several methods in presenting their material, which included lab work, extensive use of the resource center, lecture, reading in depth, and making use of seminars.

Industrial Arts

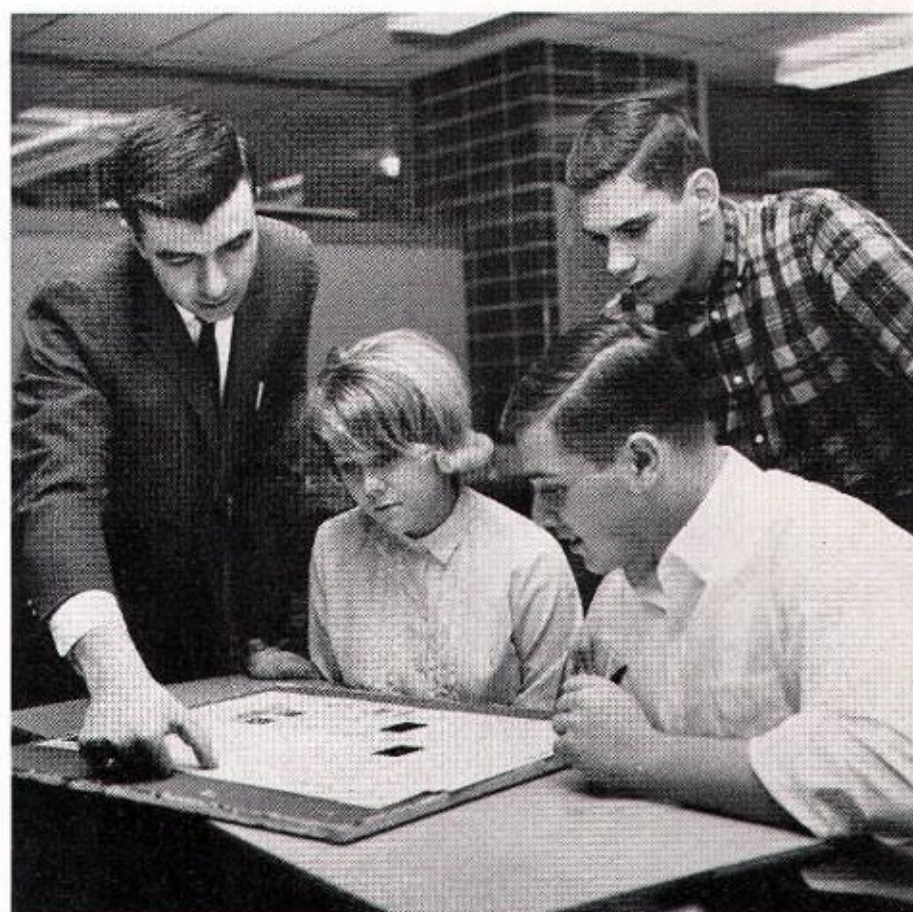

Wood, metal, electricity, drafting, power, and graphic arts and crafts were the fields of exploration opened in industrial arts, better known as shop. Mr. Hunt and Mr. Engstrom instructed boys in grades seven through eleven in shop skills, with special emphasis on safety. In addition, vocational opportunities in the industrial arts were explained.

Journalism

The "Crier" was the bi-weekly product of the industrious Journalism Department. More than a dozen editions have been put out, including a special Christmas edition. Exchanging papers with other area schools provided ideas for improvement.

Other activities of the Journalism Department included joining the National Scholastic Press Association, and sponsoring a dance, "September Stars." Also a Munster chapter of Quill and Scroll, an honorary journalism society, was formed. At a Quill and Scroll banquet, awards for outstanding work in journalism were presented and next year's Journalism staffs were announced.

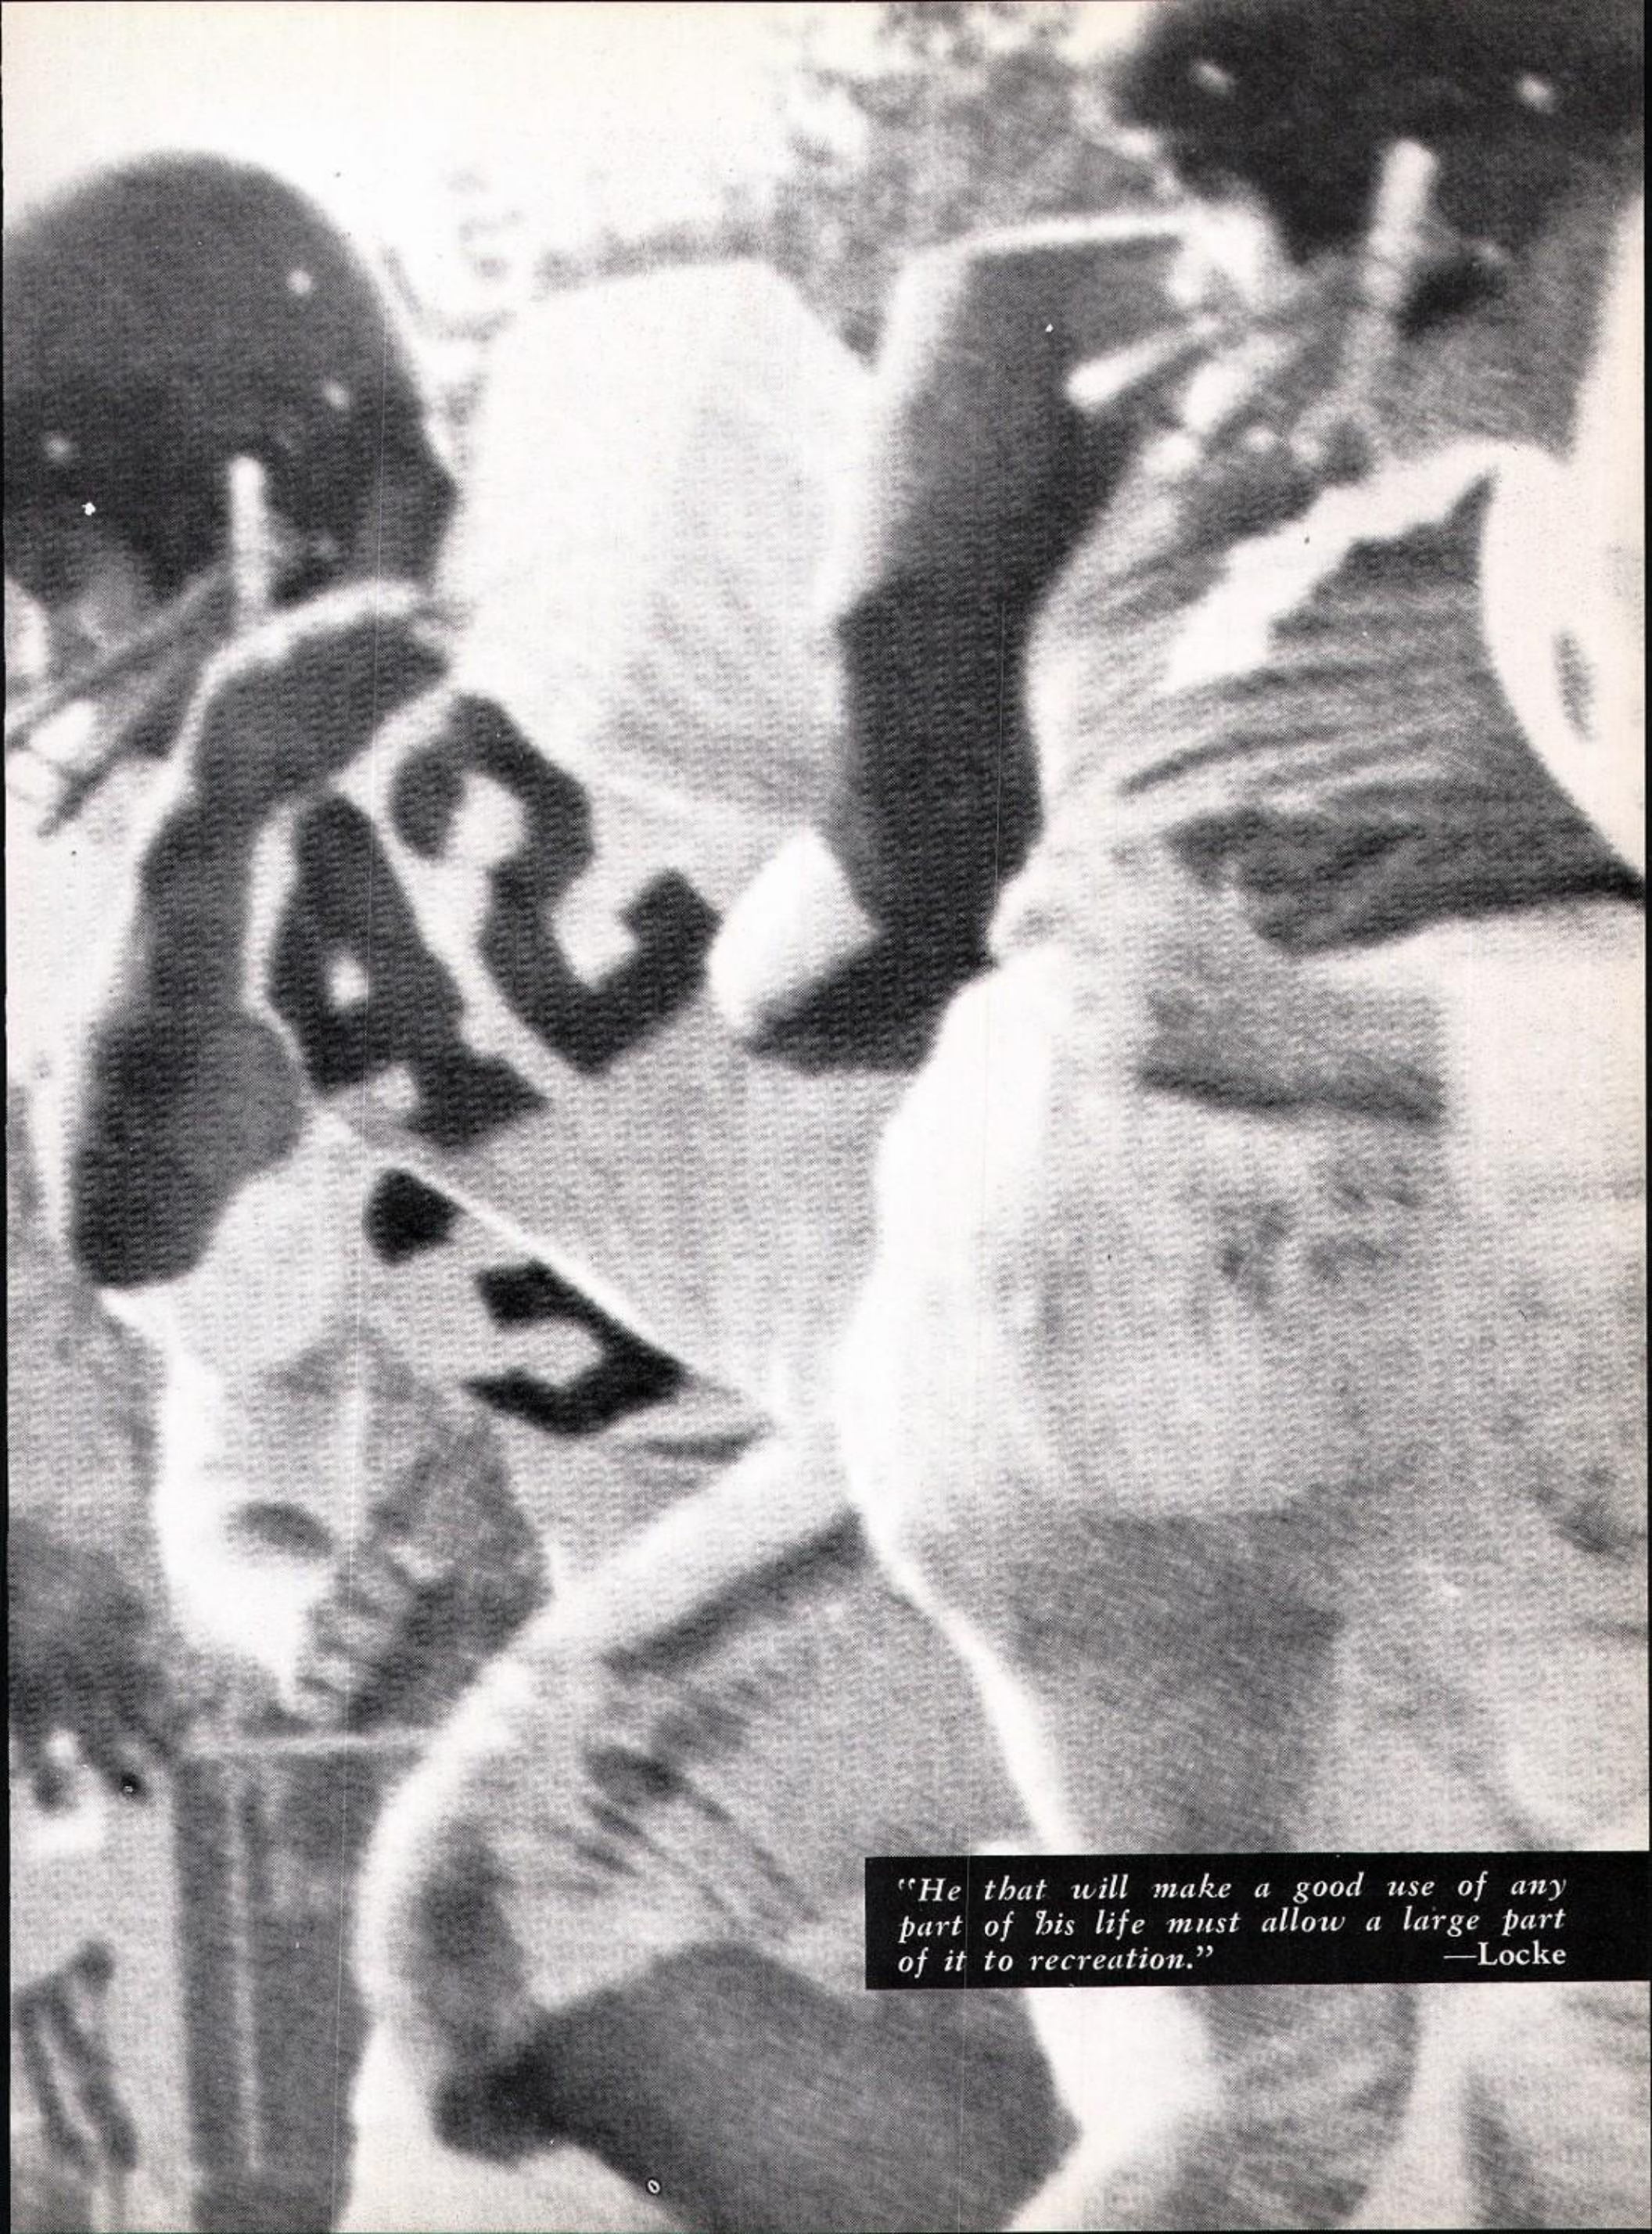

Social Studies and Typing

All history courses from 7th through 11th grade have focused special attention on the interpretation and importance of history as to why and how it affects our lives today. Whether it was a survey of the Western World, physical geography, or American contemporary issues, social studies instructors at our school have attempted to expose us to history as seen through past and contemporary historians.

All seventh graders took twelve weeks of Personal Typing; a special feature of these classes was a "creative hour" when they typed figures in the shapes of swans, trees, and deer. Typing I and II offered improvements of legal and business forms for students planning office careers.

"He that will make a good use of any part of his life must allow a large part of it to recreation."

MUSTANG CRY VICTORY!

MUNSTER HIGH'S FIRST varsity football team showed spirit, speed, and stamina in the completion of their first season. The Mustangs, with coach John Friend at the helm, played a brilliant season on the gridiron with a mighty offense and an unconquerable defense. They went undefeated all the way and allowed only six points to be scored on them. The gridgers opened the season with a 13-0 victory over Morton. Then they succeeded in coming out on top in their first encounter with a varsity team, Demotte, with a 26-0 win. The Mustangs then took on Crown Point and dealt them a 22-0 loss. This was followed by a 26-0 triumph over Dyer Central. River Forest was next in line and was promptly put down 35-0. The mighty Mustangs then conquered Bishop Noll 26-0 and surpassed T.F. South 34-0. Only Hammond Tech remained to take on the Mustangs. Munster led 7-0 in the first quarter, but later in the half, the Tech Tigers scored—the only team to have accomplished the mission. The Mustangs put seven more points between them and final victory. The hard-fought game ended with Munster pulling out a well deserved 14-6 victory. An almost perfect ending to a perfect season.

Basketball

The Mustangs opened the season at Morgan Twp. We led at half time 18-13, but didn't have it in the stretch and lost 60-34. The Lowell game was a disaster, 74-43. Gavit opened their season against us. At the end of the third quarter the Mustangs trailed 40-38 and never came back. The final was 62-51. We again fell apart in the second half in the game against Gary Edison. The final score read 84-60. We were defeated again by Highland with the final score 73-44. The Mustangs were well overdue for victory. Here it was Dec. 3, and already five defeats.

The Mustangs won, and it was because we didn't fold in the stretch. Mike Edwards, Dick Massa, and George Baker combined for 42 of 53 points and we won 53-45. At Hebron, the roof came in, 61-38. The following night at Morroco, it was early Christmas. The Mustangs did nothing wrong in an 81-26 stomp!

In the Dyer Holiday Tourney, we lost two close games. In the opener against Dyer, we had a 3 point lead 40-37 going into the last quarter. We lost it 51-50. The consolation game was a cliffhanger. We played Lowell and lost 56-54. The next regular season game was against Dyer. We led 47-45 going into the fourth quarter and lost 64-59. In the Demotte Tourney we collapsed. We were eliminated by Wheatfield 47-40. The Kouts game was special. We led by 13 points, 61-48, heading into the last frame and almost lost. Final was 74-63 in favor of the Mustangs. We lost to Clark 72-52. The River Forest game was one of the better played games.

We triumphed 69-51. At Wheeler we trailed by 10 points 38-28 going to the fourth quarter and made a tremendous come-back only to lose, 54-51. The T.F. South game was terrible. Going into the last quarter we trailed by 7 points, 51-44, and lost 78-56. The victory over Boone Grove was a supreme effort. Dick Massa had 13 points along with George Baker. Jeff Horan had 14 points and sophomore Mike Edwards had 22 points. At TF North, the last game of the season, we fell apart. The final score was 73-39.

In Munster's first sectional appearance, we faced Whiting. We played a good game but lost 80-65.

Baseball

The baseball team is very optimistic about the 1966 season. Every member of last year's team is back. Coach Niksic is looking forward to a fine season.

The team's pitching load will be carried by sophomore Mike Edwards, junior John Bognar, and freshman Ross Maroe. So far this season, Mike Edwards is leading Coach Niksic's mound corps with a 2.69 era.

Our Mustangs opened the season with Dyer. The weather was more suitable for football as Dyer blanked us 3-0. Next we went against Highland High and were promptly defeated 6-3. Hammond High was our next opponent and we lost 11-0. Crown Point was a tough team and came out on top 10-6. In a game just before Paragon deadline we were once again defeated by Hammond High 6-3.

Swimming

Our swim team has completed its first competitive season (1965-66). Although our boys swam in more than the allotted events, they made definite progress in all areas. Their record was 2-9 with a ninth place out of twelve teams in the sectional.

Jeff Kidder qualified for the State meet in Bloomington by placing second in the 100 yard butterfly with a time of 1:02.3. He did swim a 1:01.4 in the trials of the sectional and repeated this time in the preliminaries of the State meet. Even though he did not qualify for the finals in the State meet, he gave an excellent performance. The Medley Relay team placed 5th, and Sumner Nelson placed 6th in the 100 yard free style in the sectional at Griffith.

Row 3—Mark Kautz, John Lindstrom, John Chipman, Dick Massa, Larry Carlson, Dave Clark, Greg Eppler.

Track

Munster High's new track team got off to a hard start. Mr. Jim Stone took the reins with Mr. George Walters assistant. Workouts started early. Facilities were fair.

Munster opened the season by sending several relay teams to the Hoosier Relay in Bloomington. Munster's showing was good. With bad weather prevailing, our Mustangs entered their first varsity track meet at the University of Chicago.

Our Mustangs started the outdoor season with the Andrean Relays. Our showing demonstrated great improvement. The first duel meet was against Noll. The final score was 76-46 in favor of Noll.

The Munster netmen finished their first season of varsity competition. It was uphill all year long, because our boys had determination and desire. Coached by Mr. Lindquist and paced by MVP Mike Stimak, the team was .500 at 4-4 going into the last match.

Mr. Lindquist was very pleased with the performance this year. Next year should be a big season all around for our netmen.

Our longstickers opened their first season of varsity competition. Coach Roseneau, very pleased with last year's 9-2 record is very optimistic about this season. His number one man, Will Glaros steadiest player of the team, is off to a real good start. Munster opened this year's season with 2 defeats against Clark and Griffith.

In the next match, our Mustangs fired a blistering 169 only to tie Gavit. Our boys still looking for their first win battled Tech and won. However, they fell off and lost their next match to Noll. In a meet just before the Paragon deadline our boys beat Morton.

Cross Country

Mustang harriers completed its first season of varsity competition. Things did not look too good at the beginning of the season but our Mustangs had a strong will and a true desire.

Paced by Junior John Chipman, our boys came through with a two and five season. They opened the season against Clark and lost by a score of 38 to 22. Then they took on Highland and were turned back 31 to 24. One of the best all-round days for our harriers was at the triangular at Whiting. Munster defeated Whiting while losing two in a row to Highland. Munster lost to Merrillville and then came back to edge East Gary. The last regular season meet was lost to Dyer.

Munster ran in the Crown Point sectional and placed 17th of the 21 teams that competed.

Cheerleading

A total of twenty spirited girls directed much of their energy toward actively supporting our athletic teams. Cheerleaders on all grade levels practice often to make a good public showing. A convention in Indianapolis was also attended in order to learn new cheering techniques.

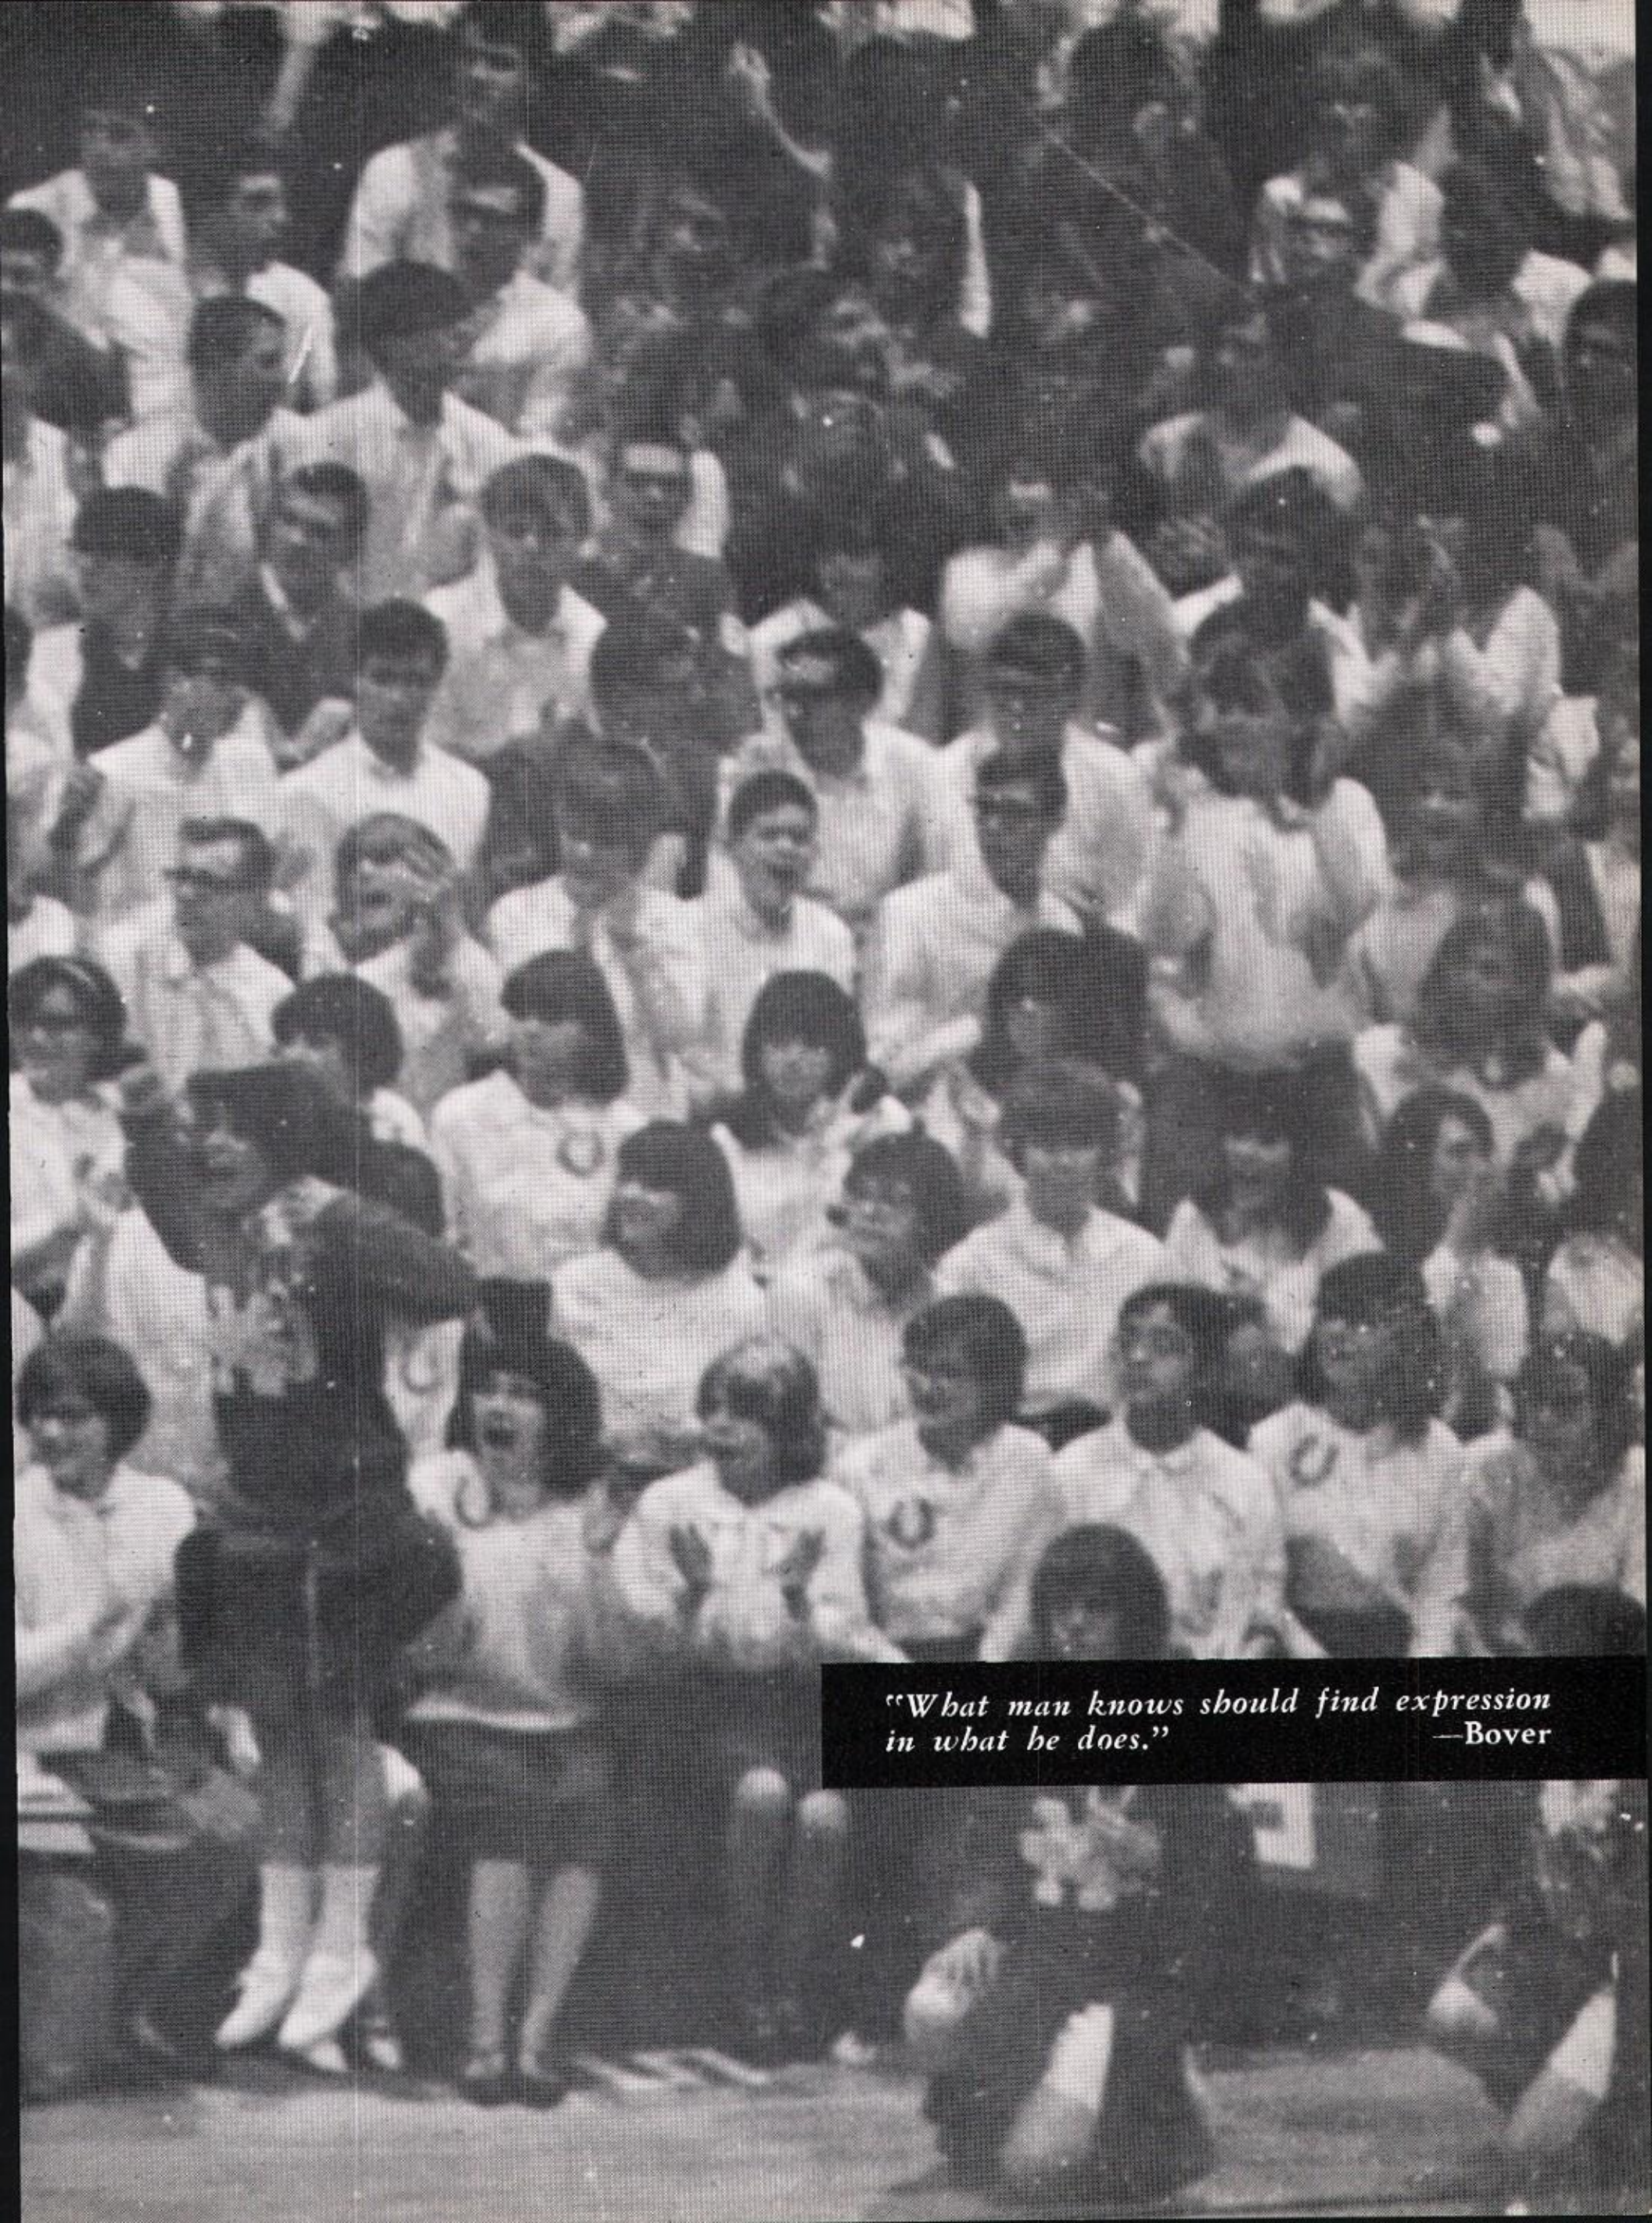

Row 1—Gail Burke, Debbie Sutter, Row 2—Barbara Jankura, Pam Cooper, Patty Speelman.

Front—Debbie Rutz, Back—Jill Rittman, Jane Yahnke, Betsy Brager.

Front—Kerry Ransel, Marjorie Trent, Jan Shorb, Back—Barb Krueger.

Sr. High Student Council

Stimulate school spirit—Christmas charity to needy families—student support of the Viet-Nam war—bake sales and talent shows—loyalty week and pep assemblies—College Luncheons—working out a parking lot traffic problem—a cheering block Sportmanship Award—a curfew assembly—a best-dressed Santa Claus president—all these and more were projects undertaken by the Senior High Student Council. Mr. Gene Fort served the pioneer council as advisor along with the council leaders 'Jeff Brager, president; Gloria Kostka, vice-president; Paula Parrish, secretary; and Tony Karas, treasurer. Between the Student Council and senior high classes, a red and white button slogan became a credo:

GO MUNSTER!

Dance Club

Munster High Dance Club, under the direction of president Susan Emerson and advisors Mr. McLaughlin and Mrs. Morehead, was composed of sophomores and juniors who planned the Club's monthly dances. Usually these evenings featured recorded music from 7:30 to 10:00 p.m. Occasionally live entertainment was provided.

Special events were the Mustang Move-Out, the December Snow Ball, with Yvonne Satterblom, and the May dance on the patio.

Dance Club representatives.

Teen Canteen

The Junior High Teen-Canteen has sponsored a dance each month. Officers were Chairman, Barbara Jankura, and Secretary Luann Bates. Mrs. B. R. McDaniel served as treasurer, and sponsors were Mrs. Wamsher, Mr. and Mrs. Kernoski, and Mr. and Mrs. Skogan.

Teen-Canteen representatives.

Jr. High

Student Council

On Tuesday afternoons four top junior high leaders—Jeff Gubitz, president; Bob Norris, vice-president; Joyce Skov, secretary; and Carol Czyzewski, treasurer—met with representatives from the seventh, eighth, and ninth grade home rooms to discuss the junior high student council's activities. Mr. Kocal served as mentor to their projects, which included a planned Honors Day Program, a spring dance with the "Chances R" playing, pennant sales, Christmas charity baskets, a Freshmen graduation dinner and dance. To round out their year in student government, the student council planned a gift to the newly erected high school—which will be theirs to use in the near future!

Back Row—Toni Karas, Linda Werskey, Yvonne Satterblom, Chris Peterson.

Middle Row—Sandy Sands, Cindy Blackmun, Tammy Ashby.

Front Row—Jill Molnar, Gayle Yahnke, Janet Navta, Jan Ferry.

Girl's Ensemble

The Girl's Ensemble entered the competition at the Northern Indiana School, Band, Orchestra and Vocal Association's Solo and Ensemble Contest on January 29. The girls sang "Come In" by Randall Thompson and received a 1st Rating making them eligible for the State competition.

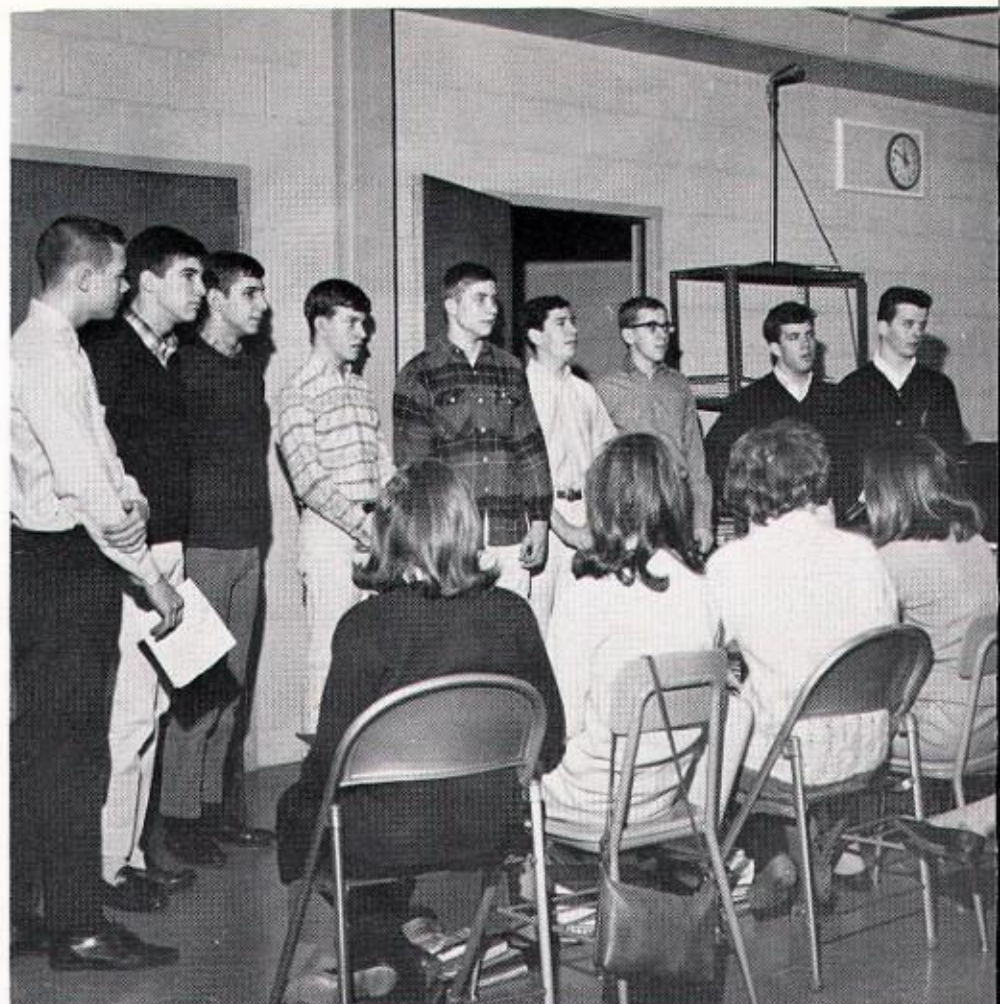

Butler University was the site of the State Solo and Ensemble Contest on February 19th. The girls again received a 1st place rating.

At the Music Department's Christmas Concert on December 17 the Girl's Ensemble performed singing, "Bring a Torch Jeanette Isabella," "Balualow" and "Let it Snow."

Other personal appearances include a Christmas party for the Tri-Kappas in December and an installation dinner for the Munster Junior Women's Club.

The Girl's Ensemble assisted by the Sextet worked in Oklahoma on songs such as "Many a New Day" and "Out of My Dreams."

Under the leadership of Richard T. Holmberg and Gene Fort the Girl's Ensemble have proved quite successful and hope to continue their work next year.

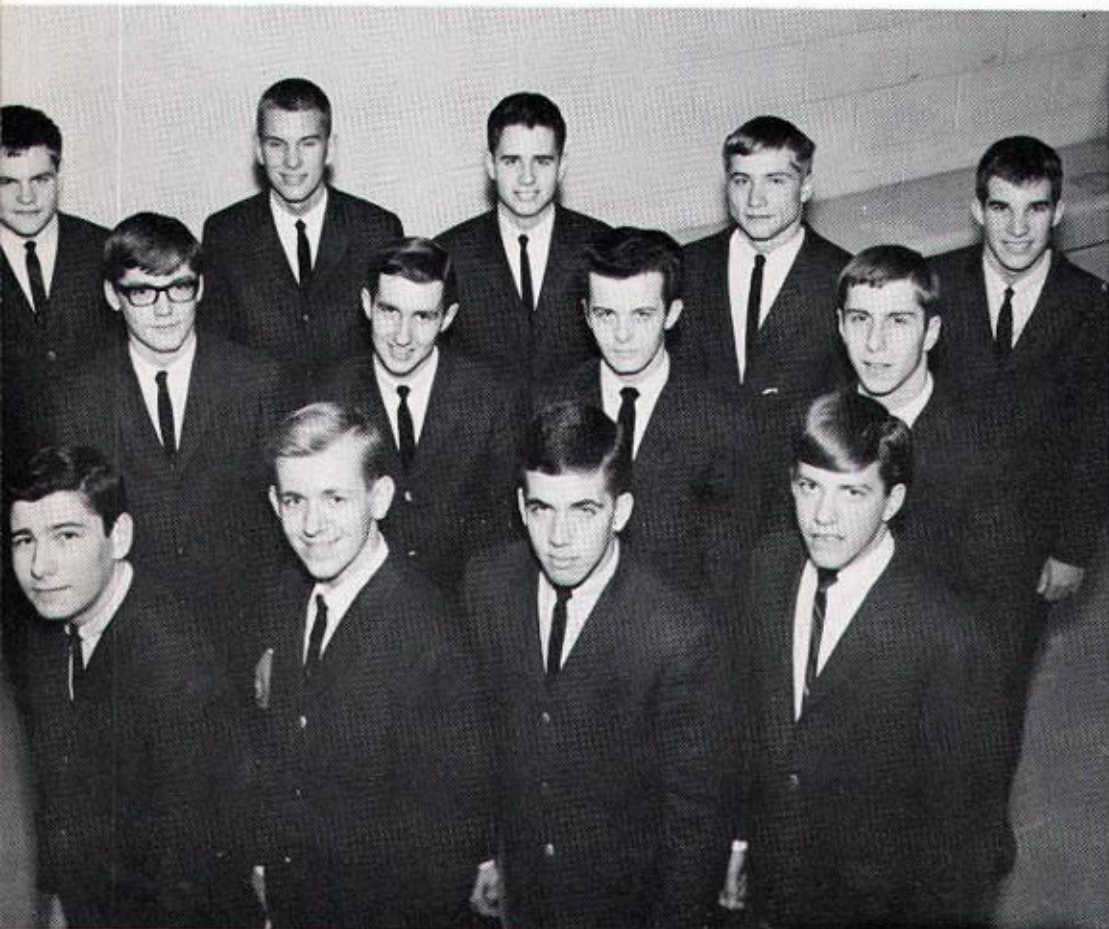

Boy's Ensemble

The Boys Ensemble acquired four new members this year and with the addition of Michael Hand, Scott Arrowsmith, Dale Roades and Ron Gyure have done quite well. In the Northern Indiana School, Band, Orchestra and Vocal Association's Solo and Ensemble Contest on January 29 the boys sang "Li'l Liza Jane" and received a 1st rating.

Along with the Girl's Ensemble and the Sextet the boys attended the State Contest at Butler University on February 17. They repeated "Lil Liza Jane" and received another 1st place rating.

The Boys Ensemble have kept busy singing for the Munster Junior Women's Club, in December, in the Christmas Concert and they assisted in Oklahoma singing "It's a Scandal, It's an Outrage." They made their last appearance for this year at the Spring Concert on June 3.

Back Row—Dick Massa, Ron Gyure, David Pope, Fred Malo, John Krause. Middle Row—Mike Soloman, Dick Peach, Mike Hand, Bob Nowak. Front Row—Ray Barton, Karl Linden, Jerry Livingston, Jack Bailey.

Left to right—Leslie Low, Linda Berey, Kathy Vieweg, Randy Levin, Donna Sitler, Debby Dixon. Maureen O'Conner at piano.

The Sextet

The Sextet was just formed this year and has been very successful. The six girls started the year at the NISBOVA Contest at Lew Wallace on January 29. They sang "May Day Carol" and received a 1st place Rating.

At the State Solo and Ensemble competition they repeated their previous performance and again received a 1st rating.

Other activities in which the Girl's Sextet have participated include singing for the Munster Junior Women's Club in December, Oklahoma when they assisted on "Out of My Dreams" and "Many A New Day." They sang in the Christmas Concert on December 17 and ended the year's activities at the Spring Concert on June 3.

Debate

"Compulsory arbitration in labor-management disputes in basic industries" was alternately upheld and attacked by debaters as the year's question. A balanced record of wins and losses was made in first sub-varsity, then varsity competition. Important in debating was the use of clear reasoning in and factual support of arguments.

National Forensic League initiation banquet.

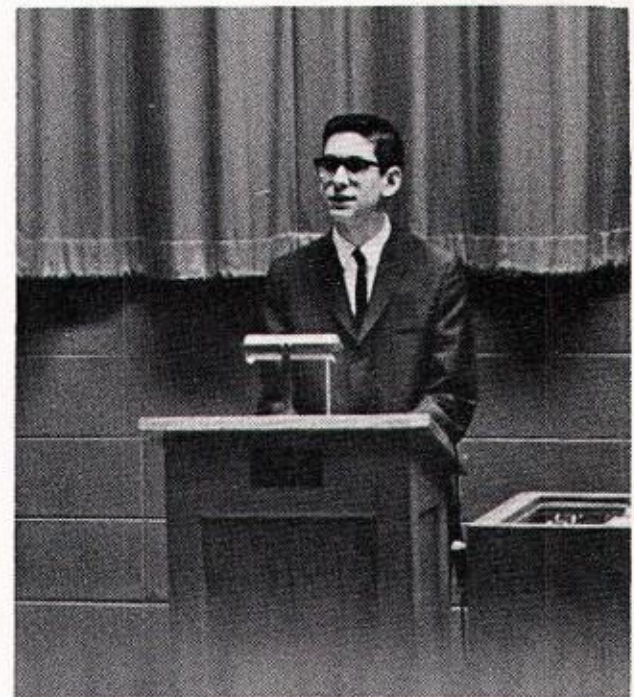

Speech

"... to develop the speaking ability of each student individually and to improve speech education in this school. . . ."

Such is the stated purpose of Munster High's charter chapter of the National Forensic League. With the combined guidance and coaching of Mrs. Engstrom and the leadership of the officers—Edward Kraus, president; Jamie Friedman, vice-president; Nancy Micon, secretary, and Sally Kackley, treasurer—Munster High's initial speech club sallied forth to capture ribbons at practice meets, sectional invitationals, and regional competition.

The year came to a graceful and successful close for the Speech Club in March when the Hammond High School speech department initiated seventeen Munster students into the National Forensic League.

Row 1—Kathy Vieweg, Marcia Boldt, Sue Makareowich, Jill Molnar, Jill Croker. Row 2—Sandi Goodman, Patty Boase, Jackie Frantz, Kathy Grow, Judy Rinkovsky, Holly Ross.

Costumed in red and white as a "baker's dozen" of sprightly cowgirls, the Munster High Drill Team was organized and directed by Mrs. Shannon Lorenzo. They fancy-stepped their way into basketball games to support the Mustangs, marched in the Hammond Christmas Parade, and strutted to cheers at Munster High Pep Assemblies—to cover a diversified year as another of Munster High's teams.

Drill Team

Left to right—Helen Baker, Debbie Kirincic, Gabriella Castillo.

Front—Karen Kirincic.

Pep Club

The Pep Club's efforts boosted our athletic activities. Signs on lockers appeared regularly before each game encouraging players, and money was made through the sale of Munster sweatshirts. Our first sectional competition was accompanied by an organized cheering block, and a gigantic "Mustang" horse-shoe. These activities were carried out under the leadership of officers Karen Kirincic, Helen Baker, Gabriella Castillo, and Margie Brazina, and sponsors Mrs. Arlene Walters and Mrs. Shannon Lorenzo.

Chess Club

The Chess Club, sponsored by Mr. Smolek, engaged in various types of "ladder" competition.

Winners of the five-round Swiss Tournament held in January were Pete Davis, Jim Walker, and Mike Leonard, who placed 1st, 2nd, 3rd in that order.

Second semester competition was based on points and a second tournament was held in May.

Linda Anderson and Jeff Gubitz.

Drama Workshop

Lights dimmed, pancake was donned, nervous "don't buff the lines" were whispered backstage as the curtains were drawn on Munster High Drama Club's two productions. Miss Anne K. Burgdorf directed each to a successful full-house in November with the hilarity of "The Man Who Came to Dinner"; "The Mouse that Roared" played to capacity for two nights in March.

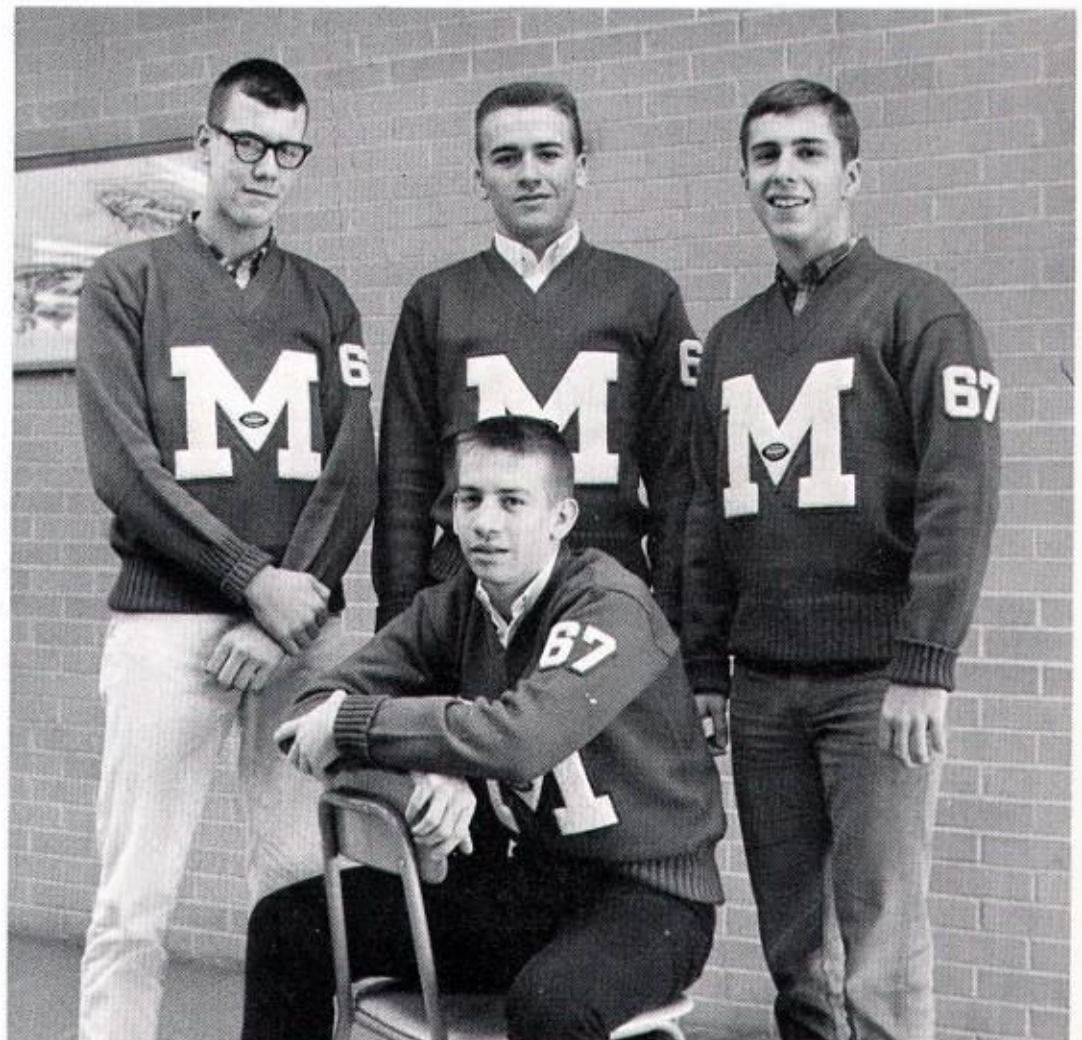

Dean Roades and Cene Carlson.

M-Men's Club

Left to right—Pete Forsythe-secretary,
Mike Edwards-treasurer, Bob Nowak-vice
president. Seated—Derek Paul-president.

Junior Class Officers

MUNSTER HIGH'S JUNIORS elected their first class officers this year. John Chipman presided over the class activities with the help of vice-president Pete Forsythe and secretary-treasurer Jill Molnar. With the support and spcnsorship of Mr. Robert Speelman, the class officers began making arrangements for our first class prom. They also sold class pins, sponsored a dance, and selected graduation announcements.

Paragon Staff

Dear Students,

I have set this page aside not only to give recognition and show my appreciation to my advisor and the staff for all their effort, but also to thank all of you and the faculty for the patience and support you have given us.

Starting out inexperienced in a new field is always hard. But we soon realized that in order to make what seemed an endless task a reality, we had to work and learn. Unfortunately, some things we learned too late and mistakes were made, but in spite of all that we continued. The product of all our work and learning is the first edition of the Munster High School yearbook, *Paragon '66'*.

Editing this book has been both a worthwhile and valuable experience for me. I hope we have succeeded in making it enjoyable for you.

Sincerely,

Sandy Sands

The editor-in-chief
of *Paragon '66'*
